What our clients say?

Rick Hansen  
Regional CIO  
Brightstar  
(Australia)

“TMA have good customer focus and are good at listening to our feedback and taking action.”

Jens Jonasson  
CEO  
Falco  
(Sweden)

“TMA has the capability to get in to the requirements fast, understand the needs of what has to be done, ramp up a team in short time for a given ok. They provide a solid technical architecture that is scalable and level of communication through the assignment is excellent”
What our clients say?

Lori Ciaralli
Engineering Director
RIBBON COMMUNICATIONS (USA)

“The management team is attentive, responsive to feedback and demonstrates initiative in continually improving effectiveness. Our partnership with TMA has allowed us to significantly reduce our labour costs, and increase round-the-clock utilization of expensive lab equipment.”

Karen Holliday
Engineering Director
AVAYA (USA)

“Our company is always looking to improve our processes driving to achieve higher quality. TMA’s team action is very quick to accept and adaptive towards our changes to processes. The drive to achieve higher quality is much easier and quicker when you have business partners that are willing to adapt and align with new and changing processes.”
